Paywast Pre-Elections Survey

Respondents' free-text input – randomly picked from English responses, out of 5,103 total responses in all languages

"The candidates do not seem honest and professional while I have seen their background. Their programme is very general and most of what they express is not practical and achievable. The candidates should be committed and dedicated having practical agenda. I want less work but with quality and sustainability"
- Male, Daykundi

" every person should select as a peresident which he wants to promote AF. Know about our matters and cultures,promote our economic,education,peace,keep borders,make a strong force for animies...etc."
- Male, Kabul

"if i vote taliban will cut my finger I live in [redacted]"
- Female, Kunduz

"Election with out security is not possable and i dont think that afghan forces will be able to take the security of election"
- Male, Kunduz

" The election comission should publish more information about election in media till the people get more information about election and should bring work facilities for new generation in during election compaign. Thanks ... [redacted] from Kandahar."
- Male, Kandahar
